

## Presidents Message

At this year's AGM, Lisa Stowe stepped down as the AASRA President. All Board members would like to thank Lisa for all the years of service to AASRA. Lisa will stay on as a Past President and will continue to work as a Board member concentrating on volunteer co-ordination as required for such events like the casinos. I know I will be relying on Lisa going forward as the new President.

We have 2 new AASRA Board members and I would like to thank them both for volunteering to take positions on the Board.

Bob MacDermott has once again volunteered to sit on the AASRA Board as the Vice President. Bob had previously been on the Board and served as the AASRA President.

Jesse Florkowski volunteered to take the position as Director At Large vacated when Calvin Howard's new position relocated him to Manitoba.

We all wish Calvin the best as he progresses his medical career.

Half way through this year 2021 and things are not shaping up as we had all hoped with regards to Covid. Most activities are postponed yet again. It appears again that outdoor activities will be our refuge this summer. It is hoped that if we all can get a couple of vaccine shoots by July then things will start turning around. We are still looking at holding the Alberta Amp Open in late August or September. Who knows maybe the start of some normal life style, we will keep everyone informed later this summer.

Until then, please stay safe and follow the health guidelines so that we all can see each other in the near future.

Vic McClelland  
AASRA President
