Dear Friends,

Over the last several weeks, we've dramatically altered our operations at Edmonton's Food Bank. Yet our food services have continued, and even in these difficult times, we have been able to help those who are struggling the most.

In mid-April, a man in his early twenties called in to ask for a hamper. When our Client Services team asked about his current situation, he said he hadn't eaten in three days. He explained that he was living on a friend's couch, and had lost his job prior to the pandemic. We made sure that he received his hamper that day. Luckily, we had just picked up a huge donation of fresh vegetables from a local restaurant and he was able to walk out with a hamper overflowing with carrots, cucumbers, potatoes, and other fresh foods.

It is because of donations like yours that we are able to help those most in need. Your contribution of \$10,000 ensures that every hamper we provide has the basic essentials, and that we are able to glean fresh fruits and vegetables, dairy, breads, pastries, and frozen product from the food industry.

Thank you for your generous donation in these uncertain times. Because of you, we will overcome these adversities, and ensure that nobody is left behind.

Thank you and stay well,

Marjorie Bencz, CM

To Our Friends at Alberta Amputee Sports and Recreation Association,

Together, we fight hunger and its root causes because no one should go hungry. Your donation to the Calgary Food Bank of \$10,000.00 helps us to accomplish that goal.

We never could have imagined that the world would turn on its head so quickly. Your gift means Calgarians needing food support will receive an Emergency Food Hamper as safely as possible in these uncertain times and in the future. Thank you for thinking of the Food Bank, we feel fortunate to have you as part of our team.

Each one of our fellow Calgarians that visits the Food Bank feels the generosity from their city. One of our clients put their gratitude into words, and we wanted to share it with you:

"I was so utterly overwhelmed at their generosity, thoughtfulness and humanity. The food bank filled our cupboards with food and our hearts with gratitude. We are forever thankful." - A very grateful client.

We are humbled to say we are truly community owned and community supported. We know that Calgarians are struggling in light of the ever evolving COVID-19 situation, thank you for continuing to ensure that no one goes hungry.

Thank you,

Morissa Villeneuve
Resource Development Coordinator
